HIGH SCHOOL CONCENTRATIONS

Secondary 1, 2 & 3 students must select one concentration.

Classes are offered 5 days out of 6.

DANCE

With the introduction of our Dance Concentration, we strive to nurture the student's interest in dance and self-expression. Students will build coordination and physical fitness by developing skills, muscle strength and flexibility. It will help them build a greater understanding and appreciation of rhythm through music. Each class will instill discipline and dedication for culture and the arts. This program will give students the opportunity to perform on a stage in front of an audience after having learned and perfected choreographies. Students will be introduced to a mixture of dance styles.

No previous dance training required for Secondary 1 students.

DRAMA

The Drama Concentration gives students the exciting opportunity to explore all facets of the theatrical world. Students will have the thrilling experience to walk out onto a stage and perform in front of an audience. Characterization, voice and movement class will lead to casting, staging, rehearsals and the show! Plays are not just about acting. Scripts, set design, costuming, lighting, music and sound effects are all part of a production as are the director, stage manager, and the backstage crew. Students will learn about and explore these roles as well.

MUSIC

Royal Vale offers a music program to students who are interested in learning and performing with a musical instrument. In the Music Concentration program, we provide the opportunity to take part in theoretical and practical lessons during the regular curriculum. The study of music is beneficial for students on many levels and can create a positive effect on overall academics. This program will allow students to develop the skills and musical knowledge that are required to perform in a group setting, as a solo instrumentalist as well as to create and appreciate musical works along a broad spectrum of styles.

No musical experience required for Secondary 1 students.

SPORTS

In the Sports Concentration, we are embracing the saying "Healthy mind in a healthy body". Physical exercise is an important and essential part of the physical, emotional, intellectual and psychological well-being of our students. This program provides a high quality level of training in order to allow students to actualize their own athletic potential. It will also allow students to assume a leadership role and become ambassadors of the active lifestyle attitude.

ADMISSION POLICY & PROCEDURES

ROYAL VALE ELEMENTARY SCHOOL ADMISSION DATES

2020-2021 SCHOOL YEAR

Level	Admission Dates
Siblings K-6:	January 24, 2022
Kindergarten:	January/February 2022 TBD

WHY CHOOSE ROYAL VALE?

As a parent, one of your most important decisions is to select the best educational establishment for your child. Royal Vale School provides an exceptional learning environment. With an approximate enrollment of 950 students from Kindergarten to Secondary 5, Royal Vale offers a French Immersion curriculum/Enriched French geared towards Mathematics and Science. We also offer a humanities option for high school students in the upper grades.

We utilize a collaborative team approach to improve student performance. This personalized school experience allows students the opportunity to feel nurtured and supported both academically and socially.

Royal Vale is committed to preparing today's youth for tomorrow's future, offering a challenging curriculum and an extensive number of extra-curricular activities. Always striving for excellence, our staff is dedicated to making your child's academic experience an enriching and fulfilling one.

We know that choosing a school is an important choice.

We thank you for your interest in Royal Vale School!
