

FUNDRAISER FOR EARTHQUAKE TURKEY AND SYRIA APPEAL

The catastrophic and deadly series of earthquakes struck southern and central Turkey and parts of northern Syria on February 6, 2023, has caused widespread damage and tens of thousands of fatalities in the region. A secondary disaster looms as survivors endure harsh winter conditions, there are disruptions in water, fuel, electricity and the need for health care and food etc. is escalating.

The Royal Vale family consistently supports and encourages the support of humanitarian causes. This time is no different. A fundraiser with the Red Cross and Red Crescent Movement in the name of Royal Vale has been created and will be accessible from February 14, 2023, till February 22, 2023.

The Red Cross Red Crescent is working to deliver emergency relief and to get help to those impacted by the earthquakes as quickly as possible. Money raised will enable the Red Cross Red Crescent to provide immediate relief, ongoing recovery efforts and resiliency and preparedness activities in impacted and surrounding areas. The activities and areas impacted may evolve based on emerging needs and compounding humanitarian crises.
