Dear Parents/Guardians,

The end of the year is fast approaching and we are already preparing for the year-end exams coming up in both May and June. Students must therefore be present for the preparation and review of these exams. They are expected to be on time to school and present for all of their classes.

Unfortunately, repeating a subject while following next year's curriculum is not possible at Royal Vale School. It is therefore important to take the necessary actions so that your child's success is ensured. In the event of a failure at the end of the year, your child will have to take the appropriate summer course. Official information for the EMSB summer courses and supplemental exams will be available sometime in May and will be included with the final report card. If attending summer school is impossible, or if the child fails summer school, a placement in another school will be discussed. Also note that for grades 10 and 11, the official grades are those of the Achievement Record sent by the Ministry of Education in early July. Access information for this document will be found on your child's final report card.

If you wish to discuss your child's situation or get further information, please contact our guidance counsellor, Mrs. Krsteski, at extension 4006 or NKrsteski@emsb.qc.ca.

Thank you for your continued collaboration,

M. Zampini
Principal

C. Lagakos
Interim Vice-Principal
